

# LAGOON 77 «MANE & NOCTE»

## A PRIVATE FLOATING HOTEL

FOR UNFORGETTABLE MEMORIES WITH FAMILY AND FRIENDS

This yacht of over 23 metres marks an important step for Lagoon towards a world where luxury and elegance are the key words. Lagoon has surrounded itself with the best for the design of its flagship: VPLP, Patrick le Quément and Nauta Design. They have all worked to offer a catamaran where harmony reigns between the interior and exterior living spaces, where there are no compromises, where innovation is at the service of comfort and life at sea.

Particularly invested in this project, the owners have made it possible to give birth to a magnificent boat which, in the opinion of all, is the most beautiful of the Seventy7s to have come out of the CNB-LAGOON shipyard to date.

Spacious and comfortable, she will delight you for your holidays in the Indian Ocean, to discover the Seychelles archipelago.

She has everything you need on board and more!

She is equipped with a multitude of nautical equipment.

For those who like to play the piano, a Steinway & Sons is on board and it can also play your favourite tunes on its own, if you ask it to.

For your relaxing evenings with family or with friends, a video projector with a double view screen will allow you to enjoy your favourite films and series inside... or outside the boat!

A wine cellar, a jacuzzi, a state-of-the-art hi-fi system... this boat is full of little extras that will make you love it.
